THE SENIOR CLASS
OF
BIGLERVILLE HIGH SCHOOL
PRESENTS THE
1969 MIRROR

ALMA MATER

Biglerville High School we are bringing our gifts of homage due,
With songs and praises ringing, our debts we owe to you,
Other Highs all have their colors which are loved by young and old,
But the noblest and the fairest are Biglerville's black and gold.

When we enter life's great battle, and high school days are o'er
We will think of thee and love thee as ne'er we've done before.
Our hearts will surely linger, our lives will ever tell,
We love you, Alma Mater, true-hearted Biglerville.

FOREWORD

As each season passes by, the joys and sorrows of former years will remain deep within our hearts. We hope this book will serve as a remembrance of all our activities and companions we have made while preparing for our future at B.H.S. These memories will live forever and someday upon reaching our goal we will appreciate our administration and faculty for all their guidance and concern they have given us.

DEDICATION

We, the Class of 1969, would like to dedicate our yearbook to Mr. Ehlman, our advisor. Throughout the past four years, Mr. Ehlman has given up his time to lead our class through many difficulties. He helped us, as Juniors, to prepare a successful prom which we presented to the Senior class and as we neared our New York trip he assisted us in completing our final plans. To you, Mr. Ehlman, a hearty thanks.

SCHOOL BOARD

Seated: John Pitzer, Dr. W. North Sterrett, Dean Asquith, Dale Ecker.
Standing: Paul Pitzer, Guy Deardorff, Marvin Kime, John Baugher, George Martin.

The function of the School Board of the Upper Adams School District is to educate and train the students for a successful and contribution participation in our democratic society. This program is established under the supervision of the administration, the guidance department, and the teaching staff. Education is a continuing process and the School Board is responsible for hiring the best personnel to build this foundation.

With an ever increasing school population, the task of the School Board becomes more burdensome. Thanks to their wise decisions, problems are kept at a minimum. Communications, coordination and correlation of the entire school program are handled through the board. No task is too small for this group of men to handle.

AMERICAN FIELD SERVICE EXCHANGE STUDENT AND

For six weeks in the summer of 1968 Juanita Carey was a Lion's International Youth Exchange Student to Japan. Juanita treasures many happy moments of her unforgettable trip. During the short time she was in this exciting country of chop sticks and pagodas, Juanita learned about Japanese customs, laws, religion, and most of all she learned to know the people.

Nagoya was the home of the five families with whom Juanita lived. Visits to Tokyo and Hiroshima were highlights of her stay. After leaving Japan, Juanita toured the Hawaiian Islands. On August 29 she returned to her home in Biglerville.

To Juanita her visit to Japan was a wonderful experience that she will never forget and for which she is very thankful.

On August 6, Edith Fascioda arrived in Harrisburg where she met her American family, Mr. and Mrs. Vincent Hawbecker, and Martha of Biglerville Heights.

Edie hails from Conflans Sainte Honorine which is about fifteen miles from Paris, France. Her father is a technical engineer and her mother is a housewife. She has a brother fourteen and a sister thirteen.

In France Edie studied physics, math, French and French literature. The school day lasts from 8:30 to 5:30 and there are no clubs or sports teams. When she returns home, she plans to go to college to become an ethnologist.

As a member of the senior class at BHS, Edie studies English, German, public speaking, gym, U.S. history, economics, and P.O.D.

Edie is a very loyal sports fan and also enjoys hoagies, banana splits, and the swedish box.

After school is over she will take a trip with other AFS students and will leave for France in July.

LIONS INTERNATIONAL YOUTH EXCHANGE PROGRAM

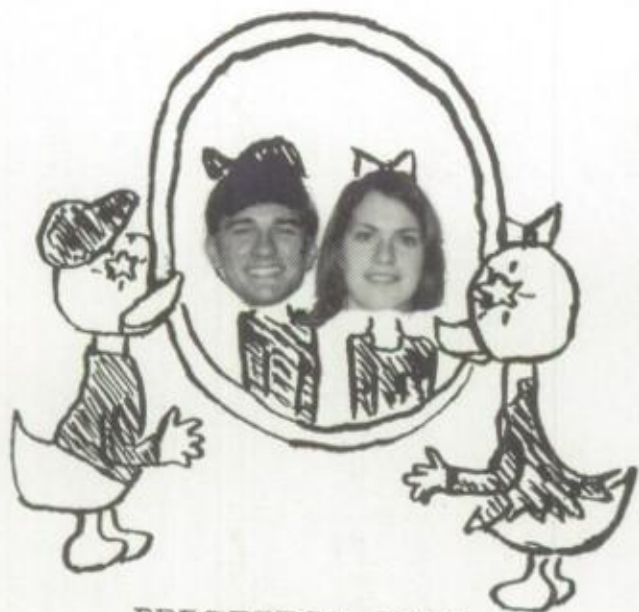

In June 1968 Nancy Reinecker and Craig Lady journeyed to Finland as representatives of the Lion's International Youth Exchange Program. Fond memories of the Finnish people and their beautiful country, the "Land of the Midnight Sun", will always remain with Nancy and Craig. They both agree that bathing in a sauna is a wonderful and unique experience. After living in different parts of Finland they found that the people and their customs are comparatively unlike according to the part of the country in which they live.

Nancy spent six weeks with six families who all live in the southern part of Finland. Nancy's families made it possible for her to visit various important cities including the capital, Helsinki. One family took her to Lapland, the Northern part of Finland, located above the Arctic Circle.

Craig lived with one family for six weeks on an island off the southwestern coast. To his amazement he discovered that the people on the island speak Swedish instead of Finnish. Craig took a boat trip to Stockholm, Sweden and visited the Russian border. His family took him on a sight seeing trip throughout Finland.

After leaving Finland, Nancy and Craig visited Scott Bucher and his relatives in Germany. Before returning home on August 14th they stayed in London for two days.

CLASS HISTORY

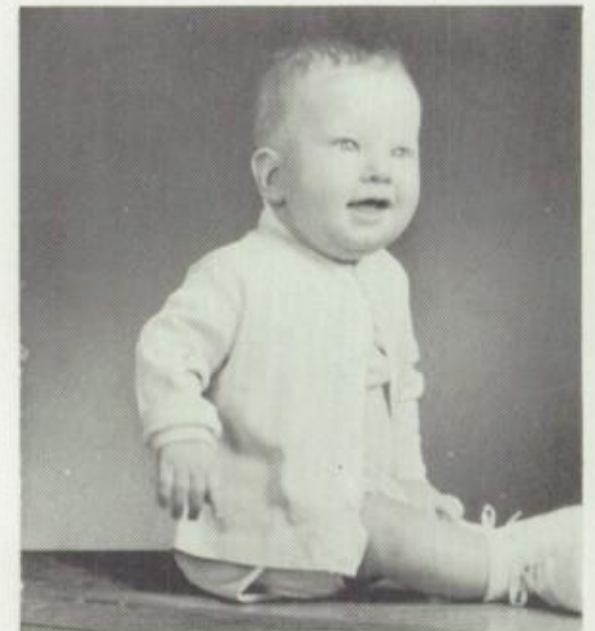

We, the class of 1969, began our educational career in September 1957. Armed with our pencils and tablets, we plunged through those six years. We were told that the next six years would be the most difficult and most important of our lives and so we looked forward eagerly but with a bit of fear.

Under the leadership of Joe Coradetti we wandered through the then massive halls having some difficulty finding the correct classrooms, but never, was there any trouble finding the cafeteria. With Mrs. Grove as our advisor we pushed straight into eighth grade, where we were guided by Ron Althoff, who put us on our feet again.

As Freshmen, we began making money for that all important trip by holding a bake sale with the help of our new class advisor, Mr. Ehlman. At the Adams County Courthouse we witnessed an actual trial about which we wrote essays. We were under Greg Weaver's authority at that time.

Our funds were increased in the following year by selling candy at the games and by picking apples. Never let it be said that we never had enough to do but we found time to choose the alexandrite stone for class rings. We also attended a career conference at Gettysburg College.

The Junior year began with the arrival of our class rings. We sold hotdogs at games, received drivers licenses, sponsored a play "Harvey" and won first prize with our float at the booster parade. After much hard work and many headaches our prom "A Summer Place" was completed and presented to the Seniors on May 18, 1968.

The year of many privileges and problems arrived at last. Edith Fascioda became a friend to all of us. Senior pictures, college applications, and board scores kept us on our toes. We sponsored the comedy "Get Witch Quick", which was a smashing success, and we sold candy apples, cokes, coffee, and pretzels. Our president Dave Hess has faithfully led us these past three years. The vision of New York became more vivid every day.

April 24, 25, and 26 were all too soon over. On May 27, 1969 we walked through the sacred corridors for the final time and received our diplomas.

MEMORIES

For us, the Class of 1969 of Biglerville High School, May 27th will mark the end of a way of life. It will, however, be a time to reflect upon what has past and, more important, to project our thoughts to the future. In every Senior class it is certain that each student remembers certain occurrences as outstanding episodes in a long (sometimes *unbearably* long) adventure into life and learning.

Of the most prominent memories, there stands out a particular year which was a tremendous milestone in the history of the Class of '69. During the nine months between September and June of 1962-1963 it was our great pleasure and esteem to be occupying the coveted position of sixth-graders. What a world that was! The admiration and envy a person gains when he or she is a member of the highest rank of an establishment is almost overwhelming. To be in the sixth grade was to have power and authority which surpassed all the other occupants of the school. Unfortunately, however, this great sense of pride and dominance was to vanish in the fall of 1963.

September of that year found us in an opposite stance in life from that of the highest positioned resident of the proverbial "totem pole". It was our misfortune to fall into the deep, dark pits of the seventh grade where we felt quite insignificant and overpowered. We would watch in awe as the most worldly Seniors walked by with a definite air of superiority. To obtain a friendly "Hi" (or even a plain unfriendly "Hi") from one of those most omniscient individuals was to have conquered the world for that day!

Now we, the present Seniors and dominant students of B.H.S., have found that with six years of determination to conquer all toil and tribulation it is possible to rise from the depths and to be, once again, in the highest position. It is, of course, a tremendous feeling to be among the wisest (?) and hopefully the most respected group and we hope we are deserving of the position.

In a few months we will find ourselves separated from all the familiar faces, sights, and occurrences of the daily lives we have lead for the past six years. Many will feel relief but many more will possess a sense of occupying the seventh-grade status as was the case in our year of 1963-1964. We will, once more, find ourselves at the bottom of the ranks and will see before us several more years of tasks to be performed and skills to be mastered.

Life is a perpetual cycle of beginnings, labors, and eventual triumphs, and we the Seniors, the Class of 1969 are part of that life. We have experienced several triumphs in the part and will most certainly be faced with future disappointments and false illusions of grandeur, but with practical application of the knowledge, experience, and values that Biglerville High School has attempted to impart with us we *will* succeed. After All, the motto of our class is: "Where there's a will, there's a way!"

Because of the stiff competition in the Adams County Baseball League the Canner sluggers had to settle for a 5-9 record in the 1968 season. The Biglerville victories were against Scotland, Fairfield twice, and Littlestown twice. The highest run production of the season was a 22-2 trouncing over Fairfield. The youthful team ended the season in fourth place out of six teams.

VARSITY TRACK

The 1968 track team proved to be perhaps the best in the history of Biglerville High School. Sported by fine individual performances and excellent team work, the squad compiled an 8-0 record, won the BML and the District III Class C championships, and produced five state champs. In the field events, Vince Spangler broke his 1967 performance with a 156' 7" and Bill Sterrett also bettered his record 1967 performance with a 156' 1½" toss. To set a new broad jump mark, Joe Coradetti went airborne for a distance of 21' 1½". The track events were equally strong with John Oyler leading the pace. John was B-ville's lone individual State champ. Gary Guise reached his goal by covering the two mile distance in 10:59.5. The 440 and 880 relay teams of Phil Carey, Craig Lady, Oyler, and Coradetti set records with times of 44.9 and 1:31.9 respectively. In the two mile relay, Steve Heller, Tim Heller, Scott Brady, and Charlie Galusha raced to a 8:46.0 record time.

First Row: Randy Barbour, Douglas Koontz, Michael Miller, Greg Weaver, Douglas Lady, Randy Heller, Joe Coradetti, Gerald Pitzer, Donald Irvin, Thomas Nelson, Larry Warner, Kenneth Caskey, Alvin Kirby, Terry Hoffman.

The varsity football team of 1969 did fine in compiling a 7-2-1 record good for third place in the Blue Mountain League. The highlight of the season came when the Cannons won a convincing 20-0 victory over Gettysburg in the last game of the season. The lone tie for the Cannons was a 14-14 tilt with Littlestown.

The 1968-69 Basketball season was a season of improvement for Biglerville. The teams were evenly balanced and the outcome of each game was unpredictable. When the Biglerville Cagers were on the floor, there with them was great hustle, teamwork, and most of all, the desire to win.

The Canner matmen again turned in a brilliant season by posting an overall dual meet record of 10 wins and 3 losses.

Capturing 5 individual titles the Cannons successfully defended their title as Westminster Holiday Tournament champs. The five winners were: Mike Routsong (outstanding wrestler award winner) 95, Mike McGlaughlin 103, Ken Caskey 112, Bob Galloway 127, and Dennis Scott 145.

Leading the matmen to many victories were six senior wrestlers: Ken Caskey 112, Bob Galloway 127, Greg Weaver 138 (captain), Dennis Scott 145, Greg Forsythe 165, and Steve Guise UNL.

Gayle,
Best of luck to a
great chemistry
partner. Remember
boiling water!
A.F.A.

Gayle,
I wish you all
the luck in the world
during your senior year!
I hope and pray that we
get the yearbook finished
and improved! Good luck
with that certain someone
(I wonder who?!) but I don't
think you have anything to worry
about. With luck maybe we'll
both pass physics next year!
See ya this summer!
